Rediscovering your calling

- a residential spiritual retreat for Christian nurses,
midwives and health visitors.

Nurses Retreat 2011

21 - 23 September 2011
Emmaus House, Clifton Hill, Clifton, Bristol BS8 1BN

Theme

Amidst the hubbub and stress of our working, church and family lives it can be hard to remember why we do what we do, and to be able to focus on the calling to our profession. This three day midweek retreat is a chance to focus on what it means to have a calling from God, to explore our own calling and sense of direction, and to take time out to listen to God. At the same time you will have the chance to share fellowship with Christian nurses, midwives and health visitors from across the UK in the beautiful setting of the Emmaus retreat house in Clifton, Bristol.

The programme will include biblical reflections and meditations on calling, a workshop on self-care (spiritual, physical, social and emotional), an optional social outing, optional 'pampering' and beauty treatments (both at a small extra charges – details available on request) and plenty of time for prayer and reflection and to enjoy the extensive gardens at Emmaus.
