Developing a Biblical Response to Current Healthcare Trends

**National Conference for Christians in Nursing, Midwifery
and the Allied Health Professions**

3-5th March 2006
Quinta Conference Centre
Shropshire

Place the date in your diary now!!

Look forward to a great weekend of teaching, discussion and fellowship in the relaxing surroundings of the Shropshire countryside. The main focus of the conference will be to look at some of the current trends within the Healthcare world today and explore how we should be responding as Christians within our workplaces. There will also be seminars on various topics, resource areas, times to worship together, and to chat and pray with others working in similar settings.

Main Speaker:

Professor John Wyatt

Consultant Neonatologist and well-renowned author and speaker on Christian Healthcare Ethics.

Provisional Seminars:

Witnessing at work

Healthcare Mission
(the why and the how)

Transition into the workplace

The Challenges of Injustice

Managing People/Mentoring

Working in Paediatrics
